Comments:

3/26/2009-lmd: See Gayle with any questions, she did the permit intake.

3/26/2009-mes: I called Troy, the applicant. I want a second floor plan - This can NOT be a new separate dwelling unit. I want to see that the 3rd floor is part of the 2nd floor unit. NO KITCHEN FACILITIES CAN BE LOCATED ON THE THIRD FLOOR. The permit is on hold until such time I receive more information.

3/27/2009-mes: The contractor now states that the owner wants a kitchen and dishwasher and other facilities on the third floor - However, he did bring in floor plans showing that you can only get to this unit by going thru the 2nd floor. You can not go all the way up thru the rear hall stairs. Still on hold while the contractor contacts the owners on the no kitchens allowed.
