Dear Mr. & Mrs. Blake,

We are writing in regards to the proposed demolition of the Saint Patrick's Church located at 1342 Congress Street. We will soon begin the removal of asbestos from the building and that work will occur during the months of September and October. Following that work, we will disconnect all utilities and the City of Portland will inspect the site to determine if it is ready for demolition.

We expect that the demolition work and preparation of the site for the winter will occur during November and December.

Please feel free to contact me directly should you have any questions or concerns.

Sincerely,
