Subject: General Building Permit Application
Attachments: plotplan.rtf.zip; proposedstructure.rtf.zip; buildingpermit.pdf

Good Morning,

Attached please find a building permit request and attached plot plan and proposed structure at my home on Wolcott Street.

Keith Samara- Sempre Fi Contracting - is the contractor and said he could be called if there are any questions.

On the building permit specifically there are zero C of O fees and zero Historical Rev fees. Total cost is \$12,500. (I was unable to tab into those sections after repeated tries.)

Thank you. I look forward to hearing from you.

Keith hopes for an October 28 start date.

Sincerely,

Sheila Jepson
