Start and Completion Dates

The estimated start date is . The estimated date of completion is . These are only estimated dates. If the contractor is delayed at any time in progress of the work by changes ordered in the work or by labor disputes, fire, unusual delay in deliveries, unavoidable casualties or other causes beyond the contractors control the contract time shall be extended by Change Order for such reasonable time as the homeowner and contractor may determine.

Not Covered

- Any construction not specifically covered in the details of this contract.

Changes

Any alteration or deviation from the above contractual specifications that results in a revision of the contract price will be executed only upon the parties entering into a written change order. Each change order must be in writing and becomes part of and is in conformance with the existing contract. All work shall be performed under the same terms and conditions as specified in the original contract that result in a revision of the contract price. The previous contract price must be stated and the revised price shall also be stated. Each party to the contract must sign the change order.

Ledge Clause

Any blasting of ledge will be considered a change from the original contract and a change order will be signed by both parties. The cost will be based on the amount of the ledge to be removed. Included in the cost will be the disposal of the ledge and handling of the blasting mats.

Warranty Statement

In addition to any additional warranties agreed to by the parties, the contractor
