Dear Barbara:

On behalf of Jonathan Matt, I have prepared the attached Application, support documentation and First Amended Subdivision Plan of Redlon Park Subdivision. Mr. Matt owns Lot 5 within the subdivision and would like to obtain a 224 square foot parcel from his neighbor, Richard Marino (Lot 4). Mr. Marino and Mr. Matt have agreed to the area shown on the attached First Amended Subdivision Plan.

I have attached: the completed application, current deeds of both Lot 4 and Lot 5, the original subdivision plan, and the First Amended Subdivision Plan of Redlon Park Subdivision.

Please let me know if you have any questions, comments, or are ready for the Mylar to be printed.

Thank you for your time and your consideration of this project.
