195-B-B

Marge --

Attached you will find the revised site plan and floor plan for our shed/sauna at my home at 28 Riverview St.

We made the necessary square footage and setback changes that Ann laid out just before she left the office and they are included on these plans.

Please let me know if you need anything else from me.

Thanks,

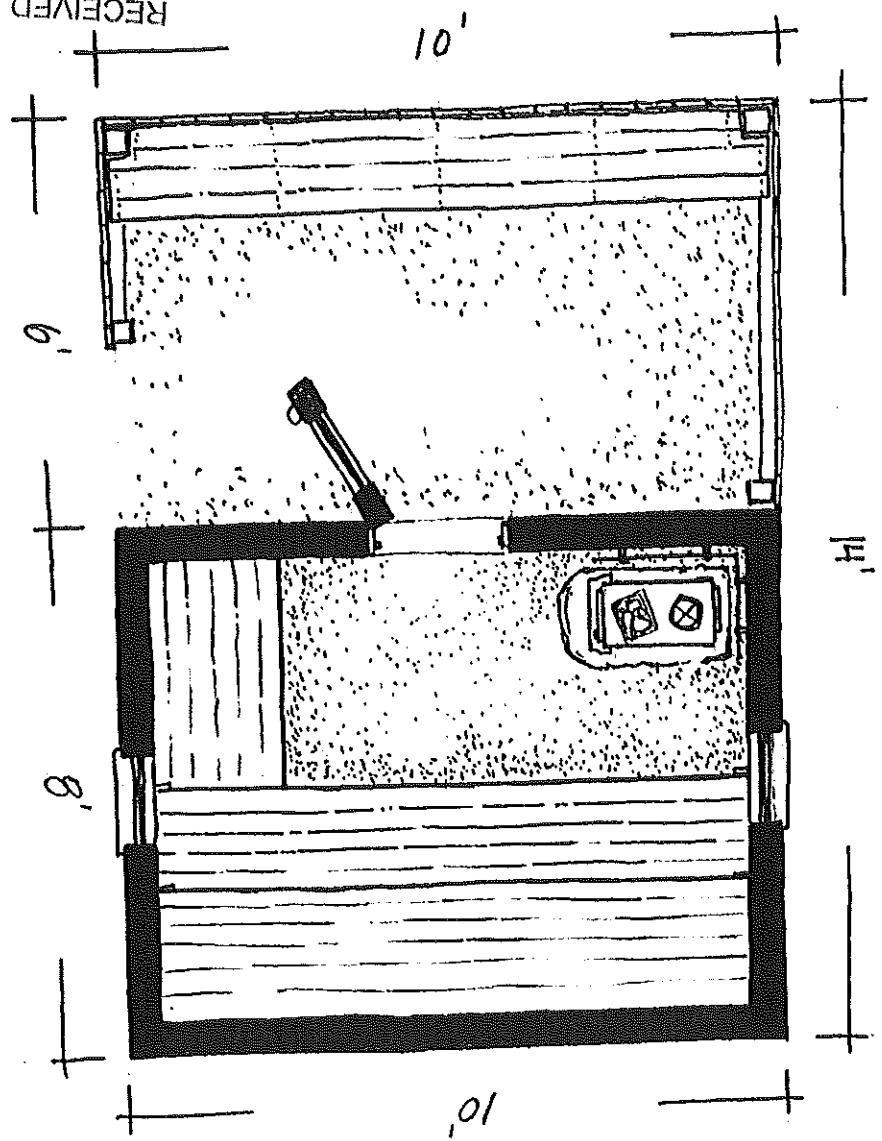

Conor Beliveau
624-2349
