Comments:

10/29/2008-mes: called the sign company, John Gavin. No information on the free standing sign is included for review - what is "translite cell" material that is shown on several of the signs?

Permit on hold until I get the information.

10/30/2008-mes: John G. sent me an e-mail showing the specs for the free standing sign.

10/24/2008-ldobson: Had Ann look at permit ahead of time a lot of the info says unknown in the size category. Tried to call customer, could not convey what we needed. Decided to send the permit forward. I believe the wrong amount has been paid but until further review can not tell if it is over or under.
