

To the City of Portland Maine, Planning and Development Dept, Inspections Division:

I represent that I the Engineer of Record, or a qualified representative of Amec observed the construction work associated with **Portland International Jetport Terminal Enhancement, 1001 Westbrook Street, Portland, Maine Level 2 Concessions Grease Duct Installation** on intervals appropriate to the stage of construction, and that to the best of my knowledge, information and belief the work has been done in conformance with the permit and plans approved by the City of Portland Planning and Development Department and with the provisions of the International Building Code and all other pertinent laws and ordinances.
