RE: "Letter of Permission from Landlord"

Mr. Reimink,

After review of the plans for the Great American Bagel Renovations, The Portland International Jetport would like to issue our approval for construction to begin. This construction approval is subject to all additional approvals, permits, etc. required by the City of Portland. Additionally, it is understood that the Ventilation Project associated with Great American Bagel will be finalized and completed as a separate project.

The Portland International Jetport looks forward to working with you to complete the Mid-Term Refurbishment of the Great American Bagel.

If you have any questions please feel free to contact the PWM Engineering Office at (207) 756-8026.

Sincerely,
