I was asked to put this on Hold as we were waiting on Electrical Contractor response. I just found out there may be changes in design so it would be deferent at that point anyway. Please cancel the application and we will resubmit once things are solidified.

Wendy, is there any idea when/if this is going to be paid? If we haven't heard in 48 hours, then we will need to void the permit application and delete the e-mail from our system. Thanks.
