Dave;

Lannie, in Codes, probably told you to talk to me because I do a lot of the permitting for PWM. But because Arthur Laferriere is the project manager on this job, I have forwarded your Email to him.

Regards, CMF

Regarding the application fee for the sprinkler permit (attached) that we submitted for the Jetport Parking Garage; considering that our customer is the city of Portland, is the permit fee still required?

The Inspections Division has received your application and has done a preliminary completeness check of your documents. It has been determined that your application does not meet the standard requirements. Please review the application fields, the items required within the checklist and [Applicant Submittal Requirements for Electronic Plan Review](#). Please resubmit your entire application with the appropriate changes and supporting documents accordingly. Also please review the attached.

To whom it may concern,

Please find attached, the PDF drawings and calculations for the Portland Jetport Parking Garage. Job is a renovation to existing system on Zones 1 & 2, (Pipe and head replacement only). No new heads are to be added, pipe locations are to remain the same.

The customer IS the City of Portland.

Should you have any questions or concerns, please do not hesitate to contact me.

Thank you,
Scott Cote
