Dear Mr. McPherson:

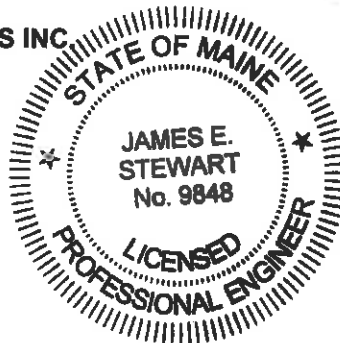

Pursuant to the requirements outlined in your Building Permit dated October 31, 2013, I provide the following information related to the installation of the new UST systems on the subject property.

Based on the observations of Mr. Jim Stewart, P.E. during an inspection today, the fuel system appears to have been installed in substantial compliance with the approved Stantec plans and specifications dated September 27, 2013.

If you have any questions or require any additional information, please do not hesitate to me directly.

Sincerely,
STANTEC CONSULTING SERVICES INC.
