RE: 184 Osgood Street – 198-D-003 – R-5 Zone – permit #07-1263

Dear Mr. Carter,

As you know this office recently issued a permit to move an existing house to another location for which you are trying to get approvals. Because you have not been able as of yet to get all approvals for the new lot on Caribou Street, you may not actively move this house at this time. If and when you receive approvals on your new lot on Caribou Street, then you would be able to activate this permit to move this house.

To reiterate, at this time you may not move this house.

Very truly yours,
