

**LANDRY/FRENCH
CONSTRUCTION COMPANY**

Scope of Work for:

**Brick North at Thompson's Point
4 Thompson Point Rd.
Portland, ME
November 3rd, 2015**

The working team involved with the project is as follows:

OWNER: Forefront Brick North LLC.
ARCHITECT: Archetype
CONSTRUCTION MANAGER: Landry / French Construction

Work Scope: Permit application is for new shell space of building 4 (Brick North) at the Thompson's Point development project. The previous permit covered building shell renovations. Attached drawing A1.01 details the demising walls to be part of this amendment application. The West end to the building has been finished. The east end is being segregated into 4 tenant shell spaces by the construction of 3 demising walls as detailed on attached drawing. Two of the walls were determined to be non-rated per wall type W1 detail 3/A101. The Third wall is 1hr rated as detailed per wall type W2 detail 4/A101.

Tenant designs are underway and will be submitted in the future under separate applications.

If there are any questions regarding this plan, please do not hesitate to contact me. We have calculated the fee of \$845 which will be dropped off when permit is ready.

Sincerely,

Geoff Mitchell
Senior Project Manager
Landry/French Construction Company.
