All ok for zoning. Permit #2015-02880, issued 2/19/16, approved the change of use to a brewery/tasting room. Outdoor dining was approved under permit #2016-00392, issued 4/28/2016.

You probably know this; they have secured their change-of-use/fit up permit but the C of O has not been issued yet. The outdoor dining application has been approved by zoning but is still under review by Chuck, I don't know if he's gotten out to do the pre-inspection yet.

Thanks,
Chris
