Ms. Grimando,

I am writing to you regarding Chris Thompson, Jed Troubh, Forefront Partners I, LP and its affiliate entities, currently pursuing Site Plan approvals associated with the Thompson's Point redevelopment.

I have known them for several years and am familiar with their, and their organization's, financial and technical capacity. They have demonstrated success in real estate development and management, and I believe that they have the experience, skill, financial resources, and wherewithal to bring the Thompson's Point project to fruition and make it an ongoing success.

Thank you and best regards,
