Jim, we charged you incorrectly. If you review the permit application, it states that there is a \$30 charge for EACH event, tent, stage, etc. Technically you will be doing 18 events (18 total Saturdays, not including 4th of July). The attached updated invoice shows this change. We did receive a \$30 check, so the attached shows the balance. Once we receive the balance, the permit will start the review process.

Payments can be made by mail, in person, or online at [Pay your Invoice](#). Please reference the Application ID number when submitting your payment. This number is found at the top of your invoice. Your total balance due is: **\$510**

The Inspections Division has received your application, has done a preliminary completeness check of your documents and entered the application in our system. Payments can be made by mail, in person, or online at [Pay your Invoice](#). Please reference the Application ID number when submitting your payment. This number is found at the top of your invoice. Your total amount due is: **\$30**

This is not an approval of your permit. Work cannot commence until the permit is issued. Once paid, you can review the status of your permit on line: <http://www.portlandmaine.gov/792/Permit-Status>

NOTE: This will not be issued until the previously requested corrected plot plan has been provided.
