Are we allowing this for a full summer long? I thought we set this up as a case-by-case application process for them?

To whom it may concern,

Attached you will find the tent/stage application and required documents for the "Summer Concert Series" at *Thompson's Point* brought to you by *The State Theatre*. As documented in the application, payment will be hand-delivered to the Building Inspections office once receipt of the application has been verified. Please let me know if there are any questions and I look forward to hearing from you. Thank you for your time.

Best,

Soleil Dufour
