SPECIAL CONDITIONS OF PLANNING BOARD APPROVAL DATED JAN. 12, 2016

- On January 12, 2016, the Planning Board considered a Level III Site Plan and Subdivision application for an amended subdivision plan consisting of 19 lots, an amended Site Location of Development Act approval, a Level III site plan for the renovation of an existing building (Brick South) for use as a flexible 2,500 person event assembly space with associated parking, utilities and stormwater management within the 34,000 square foot building. Included in this site plan is coordination with a previous approval of Brick North and adjacent site work. Both the site plan and subdivision application are applications towards fulfillment of the previously approved Master Development Plan for this site. The Planning Board reviewed the proposal for conformance with the standards of the Shoreland Zoning Regulations, Floodplain Management Regulations, Traffic Movement Permit, Subdivision Ordinance and Site Plan Ordinance, including the Site Development of Location Act. The Planning Board voted 5-0 (Elizabeth Boepple absent) to approve the application with the following waivers and condition(s) as presented below.
- On the basis of the application, plans, reports and other information submitted by the applicant, findings and recommendations, contained in the Planning Board Report for the public hearing on January 12, 2015 for applications #2015-133 and #2015-159 relevant to Portland's Technical and Design Standards and other regulations, and the testimony presented at the Planning Board hearing, the Planning Board voted 5-0 (Boepple absent) to waive the following Technical Manual standards regarding City street design:
- 1.7.2.1, requiring a perpendicular driveway connection to the street, to allow for an alternative angle for the proposed Parking Garage Entrance (Lot 14 Building F 1).
 - 1.7.2.9, requiring that vehicular circulation to be contained off-site and to not utilize the adjacent street system, to allow for anticipated delivery truck maneuvers.
 - 3.10.8, requiring a minimum aggregate base course thickness of 3 inches for collector roads, to allow for alternative road design specifications as noted on Sheet C7.0.
 - Figure 1-2 (Collector Street Cross-Section), requiring continuous sidewalks on both sides of the collector road to allow for sidewalk not to be built on an easterly portion of the road, as shown on the Site Layout Plan, sheet C-3.0, for the purposes of the Level III site plan (2015-159) subject to a condition of approval for completion of full sidewalk design as shown on Sheet C-3.0, Overall Site Plan is (2015-133) at a future phase.
 - Figure 1-2 (Collector Street Cross-Section), requiring a minimum roadway width of 40 feet for collector roads, to allow for a variable width of 30-39 feet.
 - Figure 1-2 (Collector Street Cross-Section), requiring a minimum easement width of Street for collector roads, to allow for a 4ft wide easement.
- SUBDIVISION REVIEW**
- The Planning Board voted 5-0 (Boepple absent) that the plan is in conformance with the subdivision standards of the Land Use Code and the Site Location of Development Act, subject to the following condition(s) of approval:
1. The applicant shall finalize the subdivision plan for review and approval by Corporation Counsel, the Department of Public Works, and the Planning Authority. The subdivision plans shall note all conditions of public access, all relevant easements including any for city vehicle access and turning, language regarding rights of ingress/egress/egress, and final street turnaround easement location and design in accordance with City of Portland Technical Manual section 1.3.
 2. Prior to the issuance of certificates of occupancy, the applicant shall provide a revised Declaration of Easements, Covenants and Restrictions document for review and approval by Corporation Counsel.
 3. Street Lighting: The proposed street lights on the 1st segment of the public portion of the Sewall Street extension are to be privately owned, metered and maintained by the Forefront at Thompson's Point. The City shall grant a license for such a purpose at the time of street acceptance.
