Dear Building Inspections Office,

Please find enclosed our application for outdoor seating at our new brewing & tasting room facility at 4 Thompson's Point Road Suite 108, Portland, Maine, 04102. You will find site plan showing the proposed area, midrange floor plan, and close-up detail showing locations of high-top tables and stools, and their dimensions. There are also two pages that show the dimensions of the stainless steel barriers we own, that we will be using.

Please do not hesitate to contact us with any further questions you may have.

Sincerely,

A handwritten signature in black ink, appearing to read 'Peter Jensen Bissell', with a long horizontal flourish extending to the right.
