Portland, ME 04101

Re: 111 Cobb Ave

To Whom It May Concern:

Life Safety Fire Protection has completed the installation of a NFPA 13D residential fire sprinkler system for the home located at 111 Cobb Ave in Portland, ME. The system has been tested and inspected and has been found to meet the minimum design requirements for NFPA 13D. Please note that the owner is responsible for yearly inspection and testing as required by NFPA 13D.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Daigle", is written over a horizontal line.

Matt Daigle, CET  
Design Manager  
Life Safety Fire Protection
