RE: 108 Cobb Ave. – 210-B-013 & 014 – R-2 Zone – permit application #08-098

Dear Mr. and Mrs. Ahmadov,

I am in receipt of your permit application to construct a new 24' x 24' garage. Before this office can issue your permit for the garage, it will be necessary to apply for permits for the deck and bulkhead on the rear of the new dwelling unit. The rear deck and the bulkhead were specifically deleted from the final building permit application on 3/10/07 by the contractor, Dwight Brackett.

It will necessary to permit the deck and the bulkhead at this time. Please apply with the enclosed permit application with all the necessary submittals.

Your current permit will be on hold until such time the illegal structures have been legalized.

If you have any questions regarding this matter, please do not hesitate to call me at 874-8695.

Very truly yours,

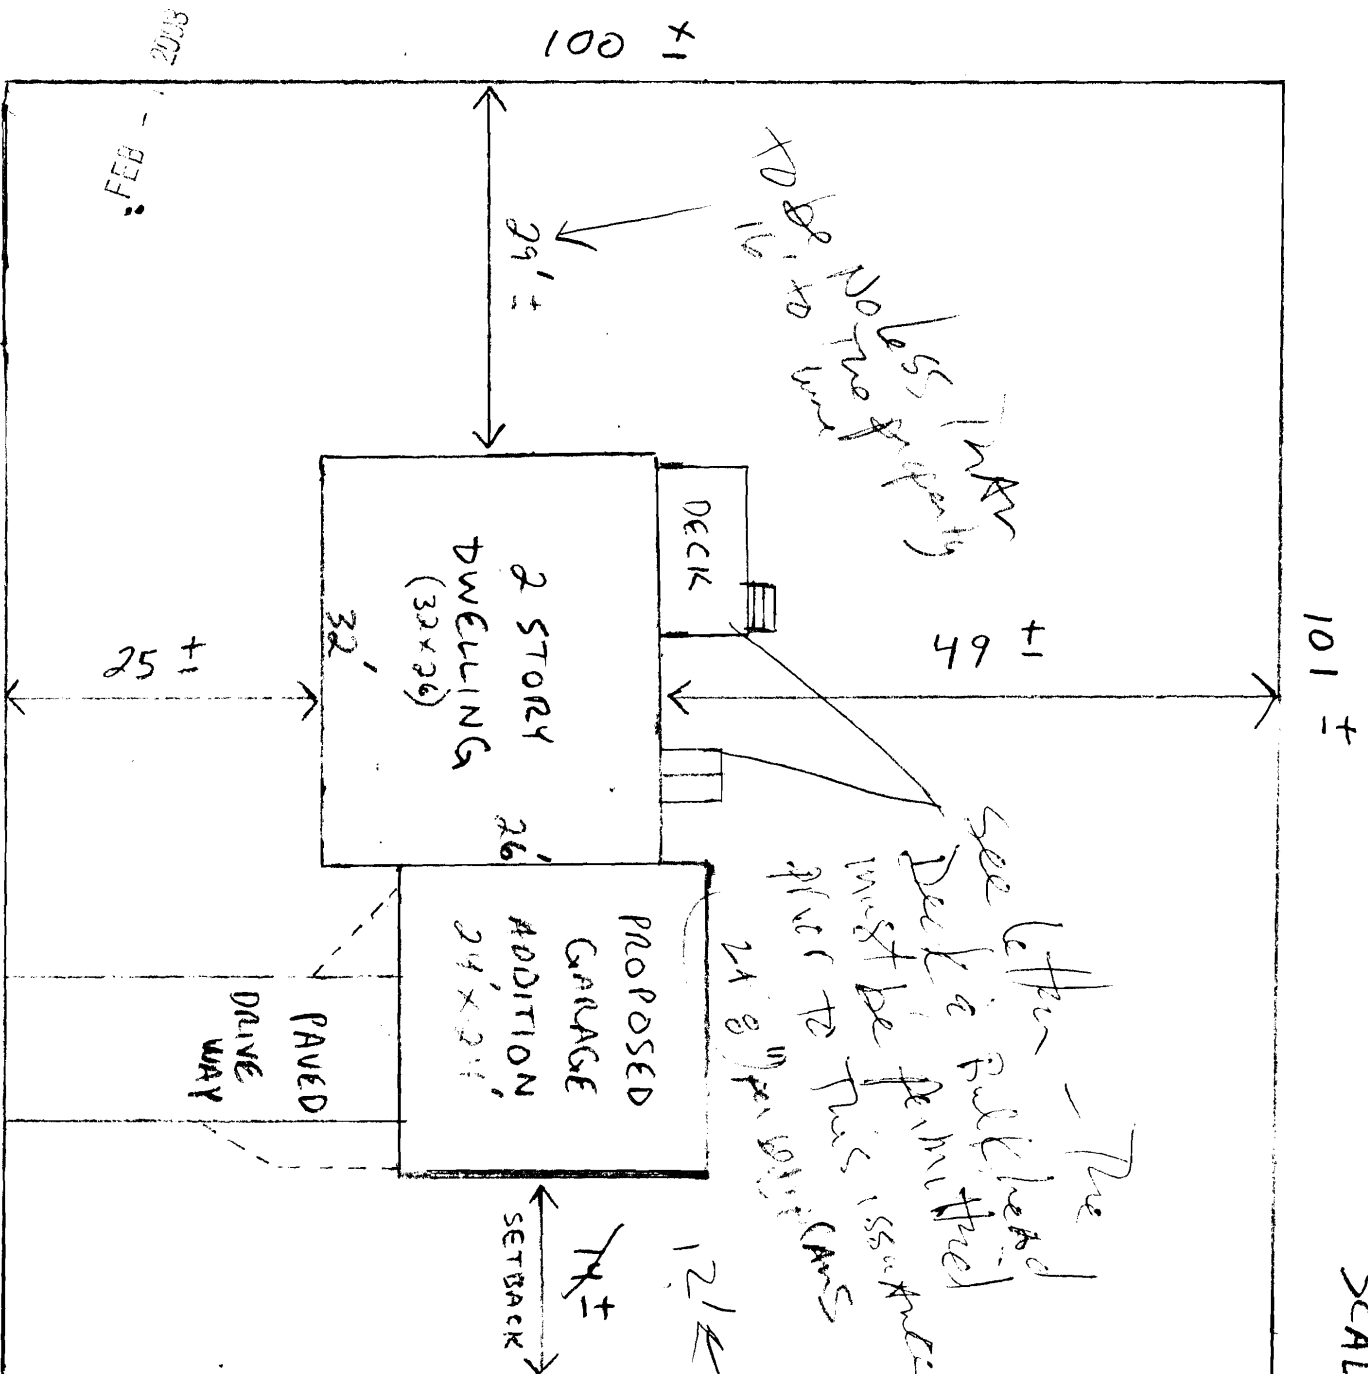

Marge Schmuckal
