Dear Sir:

Your application to construct enclosure for existing loading dock (walls & roof), has been reviewed and a permit is herewith issued subject to the following requirements: This permit does not preclude the applicant from meeting applicable State and Federal laws.

1. The automatic fire suppression system shall be provided throughout this proposed addition.
2. The doors leading from the loading dock to the hotel must have a fire rating of a one hour minimum.
3. The fire protective signaling system shall be extended into this new proposed area.

If you have any questions regarding these requirements, please do not hesitate to contact this office.

Sincerely,

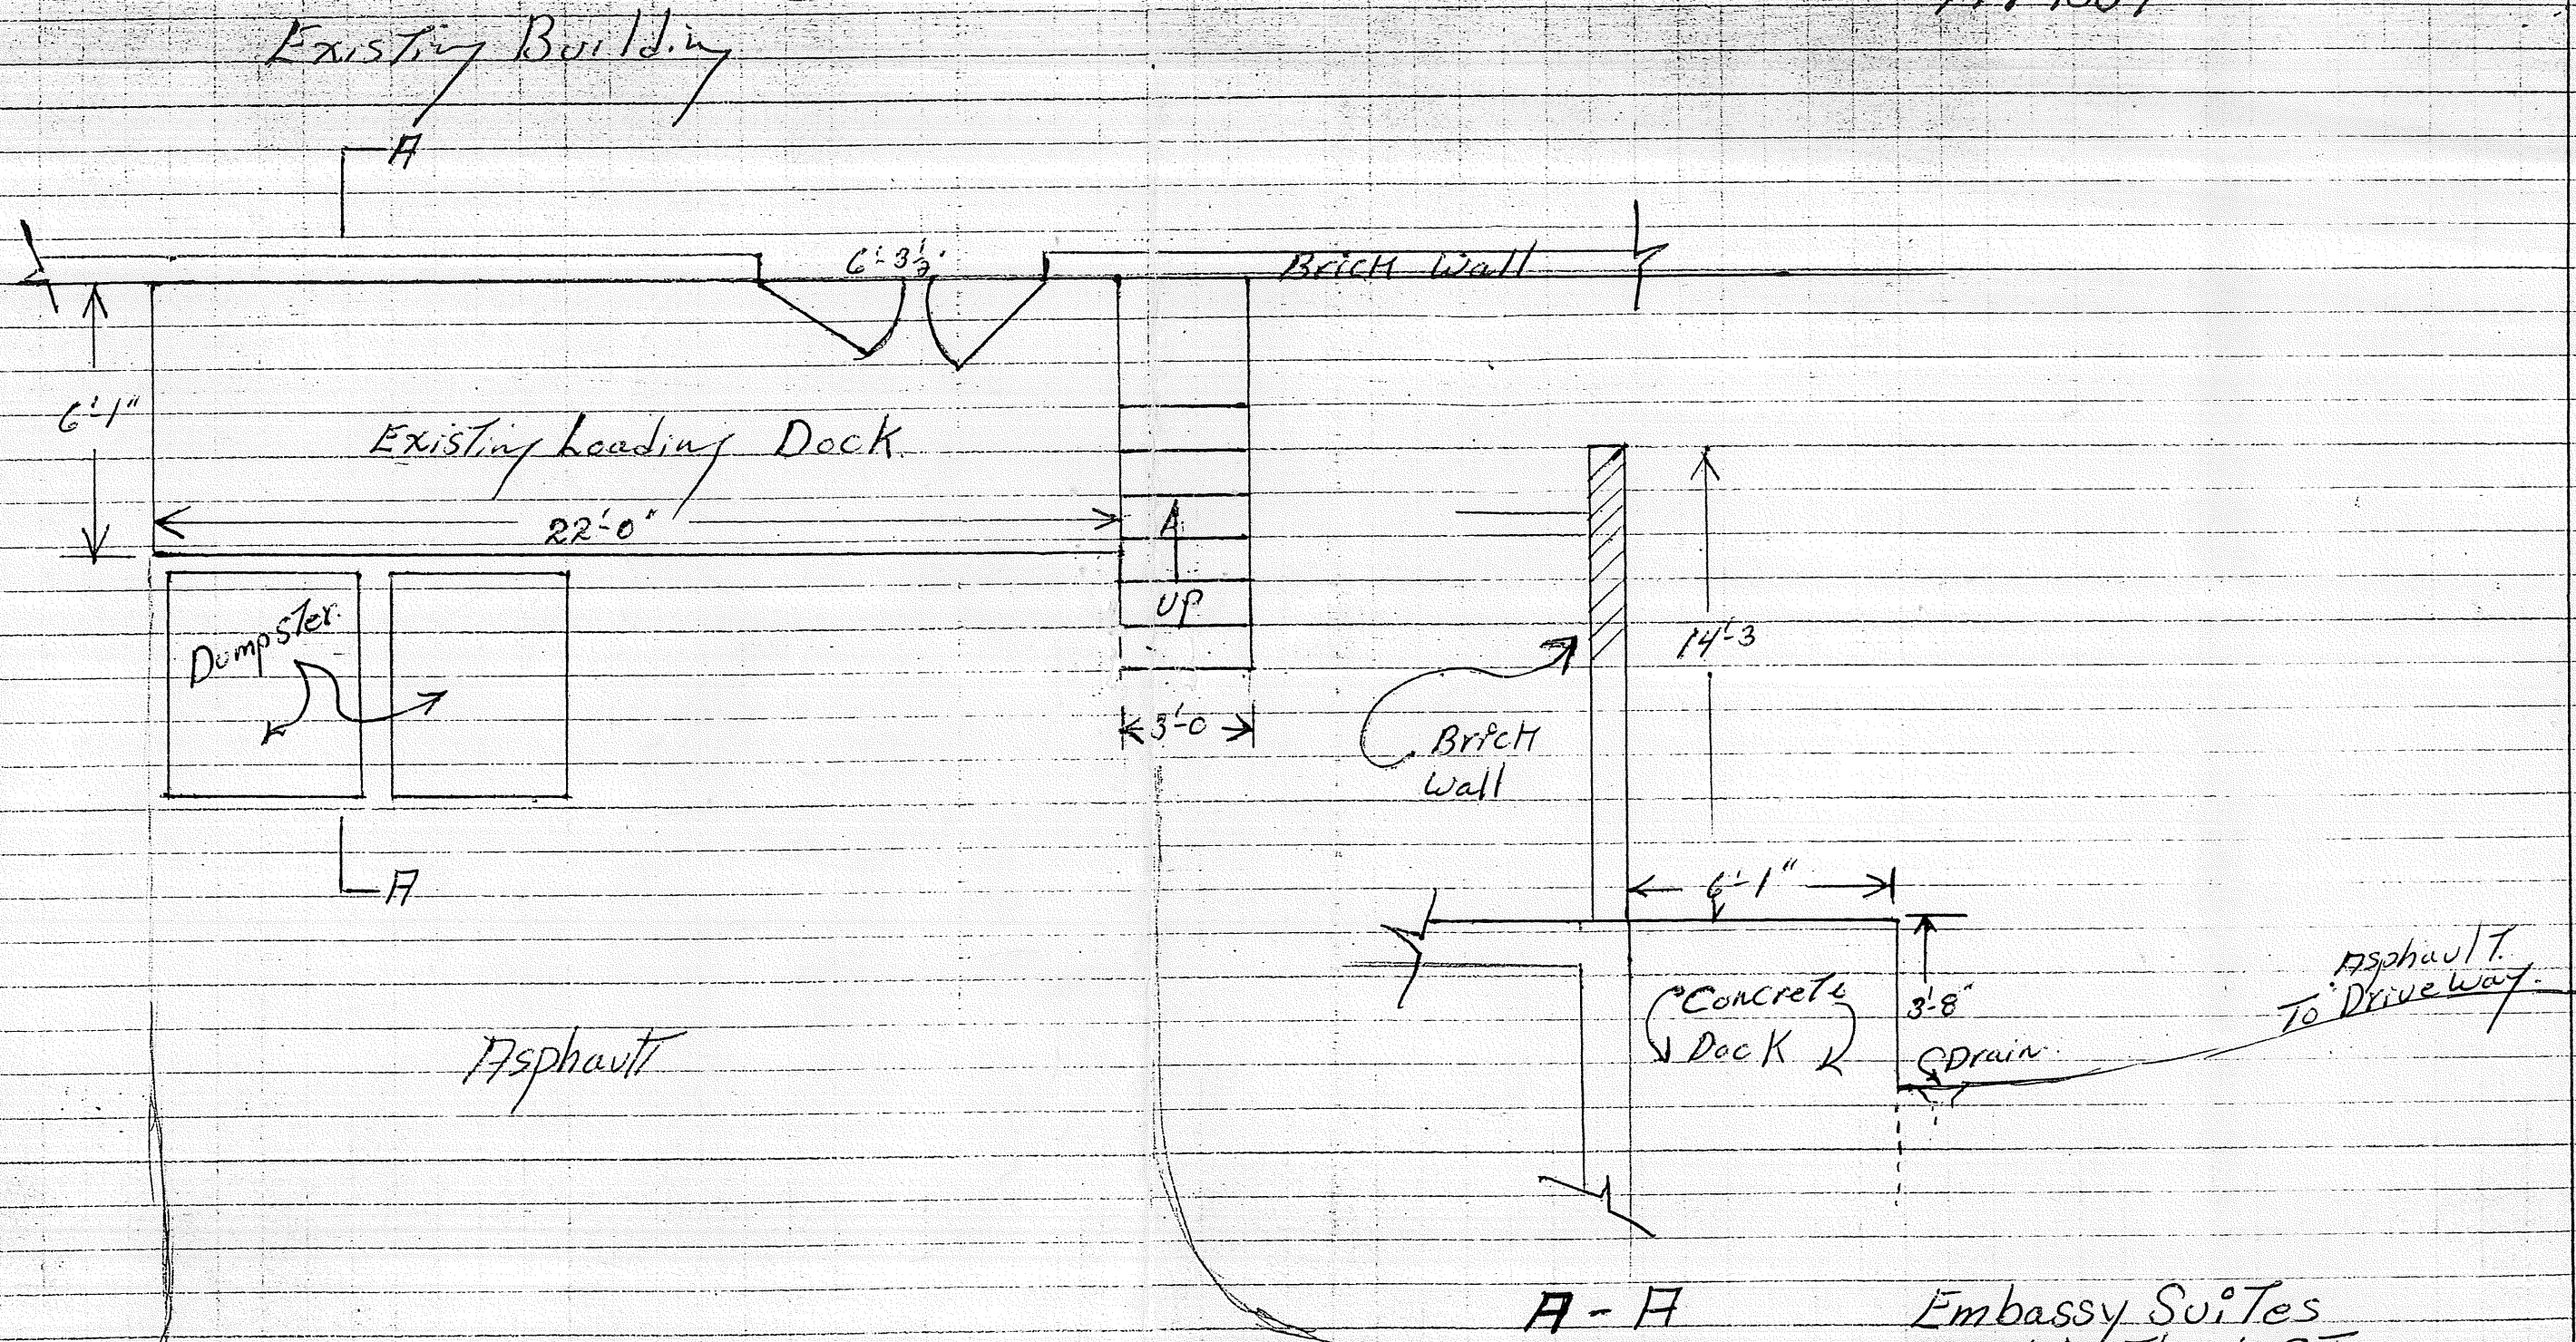

P. Samuel Hoffses  
Chief of Inspection Services
