
Section 16. Statement of Solid Waste Generation

Statement of Solid Waste Generation

A. Estimated Quantities of Solid Waste

The proposed valet parking lot is not expected to generate any significant volume of solid waste.

B. Off-Site Disposal of Construction/Demolition Debris

No appreciable amount of construction debris is expected from the project. Any generated debris will be source separated and transferred by a licensed non-hazardous waste transporter to a local construction material recycling facility.

Local waste management providers include:

- *Casella Waste Systems*, 87 Pleasant Hill Road, Scarborough
- *Troiano Waste*, 10 Filmike Way, South Portland

Local disposal sites include:

- Riverside Recycling Facility, Portland
- Community Recycling Center (CPRC Group), Scarborough

C. On-Site Disposal of Wood Waste/Land Clearing Debris

There should be no on-site disposal of wood waste or land clearing debris.

D. Special or Hazardous Waste

No Hazardous Waste will be used or generated.
