Good Afternoon Dorris!

Attached is a picture of your shed. It is built with DuraTemp siding, 3/4" Advantech flooring, 2x4 wall and roof framing 16" on center, 35 year architectural shingles, ridge vent, drip edge on rakes and eaves, PT 2x4 floor joists and PT 4x4 skids. If they require any other information please let me know so i can get it to you ASAP. :)
Have a wonderful weekend!!
