

Submitted 2/4/16

City of Portland  
Code of Ordinances  
Sec. 27-2

Broadband Telecommunications Network  
Chapter 27  
Rev. 1-1-09

*Full cable service* shall mean all basic services and additional services to be offered by the grantee.

*Government access* shall mean use of dedicated access channels by official governmental entities.

*Grantee* shall mean the natural person(s), partnership(s), domestic and foreign corporation(s), association(s), joint venture(s), or organization(s) of any kind which has been legally granted a franchise by the city and its lawful successor, transferee or assignee.

*Head end* shall mean the land, electronic processing equipment, antenna, tower, building and other appurtenances normally associated with and located at the starting point of a broadband telecommunications network.

*Installation* shall mean the connection of the network from feeder cable to subscribers' terminals.

*Institutional network* shall mean a dedicated cable for the transmission of upstream and downstream signals, available for use by institutional users as provided in the franchise agreement.

*Leased access channels, or commercial access channel* shall mean any channel designated or dedicated for use by persons unaffiliated with the grantee.

*Monitoring* shall mean observing a communications signal, or the absence of a signal, where the observer is not a party to the communication, whether the signal is observed by visual or electronic means, for any purpose whatsoever.

*Network facilities* shall mean the broadband telecommunications network without limitation, the head end, antennas, cables, wires, lines, towers, amplifiers, converters, health and property security systems, equipment or facilities designed, constructed or wired for the purpose of producing, receiving, amplifying and distributing by coaxial cable, fiber optics, microwave or other means, audio and visual radio, television and electronic signals to and from subscribers in the city, any other equipment or facilities intended for the use of the network.

*Person* shall mean an individual, partnership, association, organization, corporation or any lawful successor transferee of said individual, partnership, association, organization or
