Portland City Hall, Room 26 389 Congress Street Portland Maine 04101 (P) 207-756-8131 (F) 207-756-8150	Revised 11-11-2016
	Page 1 of 3

Chapter 6, Article VI of the City of Portland Code of Ordinances requires owners and managers to register rental units with the City of Portland Housing Safety Office. A rental unit is any portion of any residential structure that is rented or available to rent for any length of time to an individual(s) who is not the owner(s). Registration is due beginning January 1, 2016 and within thirty (30) days of renting a property. The ANNUAL registration fee of \$35 per individually rented bed, room, and/or dwelling unit less any discounts (listed on the second page) is due at the time of registration and on January 1 of each year. Failure to register may result in a fine.

Complete the **Rental Housing Registration Form** and **Owner's Pre-Inspection Checklist** for **EACH RENTAL PROPERTY** (multiple rental units at the same property with the same owner can share the same form) and return to the City of Portland Housing Safety Office by email, fax, mail, or in person. After the registration information and fee discount documentation has been verified, an invoice for payment will be sent to the party certifying registration entered below. Complete applications may pay at the time of registration.

CODE REFERENCE (NFPA 101 (2009), City Code of Ordinances Chapter 6 and 10 (June, 2016))	
Question	Code Explanation
1.1	There must be a working smoke alarm (detector) on each level of the building and dwelling unit including the basement and in the immediate vicinity of each bedroom or room used for sleeping as well as in each bedroom.
1.2	There must be a working carbon monoxide (CO) alarm (detector) on each level of the building and dwelling unit.
1.3	Each dwelling unit must have access to at least 2 separate ways out of the building that are not located close together unless the unit has an exit door opening to the outside at ground level, an enclosed stair used only by that unit opening to the outside at ground level, or access to an outside stair that serves no more than 2 units.
1.4	The way out of the building cannot be used for storage or trash containers. The way out of a building must be permanently lighted or by lighted by automatic means. Doors leading from a dwelling unit to a stairwell must be self-closing and fire rated. Locks or door hardware must be easy to use when leaving the building. Exits must lead to the ground level, not the basement.
1.5	All stairs must have handrails that are easy to grasp and that are securely mounted at a height between 34" and 38" measured from the leading edge of all treads, vertically to the handrail.
1.6	Each bedroom must have a window that can be opened without using tools or special knowledge. The opening of the window must be at least 20" wide and 24" high and provide an opening of 5.7 square feet. The bottom of the opening must be less than 44" above the floor.
