RE: Request to Clear: Lot 21 River's Edge Subdivision

Dear Scott,

Thank you for your written request to clear the trees from your lot (#21), prior to issuance of the building permit.

Please be advised that adherence to the Subdivision's no-cut and shoreland zones must be met. Also, Any other site work, such as soil disturbance, etc, requires additional permitting.

Consider this letter your approval to clear your lot.

Sincerely,

Jay Reynolds  
Development Review Coordinator
