

## Garage attic convert to office:

- No framing necessary.
- Insulation;

Floor = R-38 Fiberglass  
Walls = R-19 Roxul  
Ceiling = R-49 Roxul

---

## Floor Plans for bath:

- one shows bath as is now
- the other shows the new wall for shower unit + closet.
- Deviation from plan involves no pocket door. Instead we will use the existing door but make it swing out.
