Statement of Compliance with City of Portland Code of Ordinances Chapter 14, Section 14-450.8

Date: November 27, 2017

Project: Offices for Maxim Healthcare
1685 Congress Street
Portland, ME 04102

To the best of my knowledge and belief, City of Portland Code of Ordinances Chapter 14, Section 14-450.8 do not apply to this project. It is not new development or substantial improvement to an existing property, but rather interior construction for an office fit-up on the existing second floor of a building built 20 years ago.

We have attached a copy of an Existing Conditions Survey and Elevation Certificate to the Flood Hazard Development Application for reference. Our construction drawings are filed under the Building Permit Application #201701747.
