Hi There,

I wish you folks the best for the start of the new year!

I am resubmitting our application and applicable pdf documents for our project which Steve Bassett (our contractor) had started in September. We had put a hold on the project due to unforeseen issues.

I have attached the requested PDFs, please don't hesitate to let me know if you have any questions. In the meantime, I will be on the lookout for an email for online payment.

Thank you!

Best,

Tara

Thank you. The clients have made a decision to postpone the project until spring. I will re submit this application in February.
