BUILDING PERMIT INSPECTION PROCEDURES
Please call 874-8703
or email: buildinginspections@portlandmaine.gov

**Check the Status of Permit or Schedule an Inspection at
<http://www.portlandmaine.gov/planning/permitstatus.asp>**

With the issuance of this permit, the owner, builder or their designee is required to provide adequate notice to the City of Portland Inspections Division for the inspections listed below. Appointments must be requested 48 to 72 hours in advance. The inspection date will need to be confirmed by this office.

- **Please read the conditions of approval that are attached to this permit.**
- **Permits expire in 6 months if the project is not started or ceases for 6 months.**
- **If the inspection requirements below are not followed, then additional fees may be incurred due to the issuance of a "Stop Work Order" and subsequent release to continue.**
- **Per Section 107.3.1 of the Maine Uniform Building and Energy Code (MUBEC), one set of printed approved stamped construction documents will be kept at the site of work and open to inspection by building officials.**

REQUIRED INSPECTIONS:

The project cannot move to the next phase prior to the required inspection and approval to continue.

If the permit requires a certificate of occupancy, it must be paid and issued to the owner or designee before the space may be occupied.

Conditions:				
<ol style="list-style-type: none"> 1) The review of this permit did not include a review or confirmation of the zoning legal use. It is only approving the specific work described in the plans and forms submitted. The current use of the property may be found to be unlawful. 2) This structure is exempt from building code permit review based on the square foot size, however it is required to be built in compliance with the applicable codes. 3) This is being issued with the understanding that as a fast track, the owner is responsible for scheduling inspections for the work being done and the inspector may require modifications to the work that has been completed if it does not meet code. 4) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.
