| 1) This property shall remain a single family dwelling with a home occupation (office) in the principal structure.. Any change of use shall require a separate permit application for review and approval.<br>2) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.<br>3) Your present structure is legally nonconforming as to setbacks. If you are to demolish this structure on your own volition, you will only have one (1) year to replace it in the same footprint (no expansions), with the same height, and same use. Any changes to any of the above shall require that this structure meet the current zoning standards. The one (1) year starts at the time of removal. It shall be the owner's responsibility to contact the Code Enforcement Officer and notify them of that specific date.  |   |                                 |  |                             |
