Good Morning,

I have been working with Suzanne and Ian Macleod who have requested an address reassignment for their home which is now known as 2 Stroudwater Rd.

Their street address was formerly known as 1433 Westbrook St.

This address reassignment was made for public safety reasons as the Macleod's frontage and driveway are on Stroudwater Rd. not Westbrook St.

There has also been some confusion over the years regarding mail delivery.

Enclosed, please find (2) attachments to this email:

1. E-911 Addressing reassignment letter
2. Map showing the Macleod's home and vicinity

Feel free to contact me if you have questions regarding this notice.

Charles
