RE: C. of O. for #2360 Congress Street,  
(Id#2006-0090) (CBL 233 A 004001)

---

After visiting the site, I have the following comments:

Site work incomplete:

1. Grass fetch in both soil filter beds,
2. Casco Traps,
3. 1 section of guard rail along the pedestrian trail/path,
4. Shim with gravel the shoulder of the PWD road near where the job trailers were parked.

I anticipate this work can be completed by **August 1, 2009**.

At this time, **I recommend issuing a temporary Certificate of Occupancy.**
