Re: 2282 Congress St. Portland, Me.

Dear Steve:

As a landowner in the vicinity of the referenced project we are not opposed to allowing a zone change from IM to B4 for the proposed convenience store and fuel station. Our support is for this specific project and specific address only. We feel as though this use would be a benefit to the surrounding area, based on the lack of similar nearby services and its proximate to the interstate and Congress St.

Thank you.

Sincerely,

Paul Ureneck
Senior VP Project Management
