City of Portland

Re: 2282 Congress Street, Portland

To Whom It May Concern

I am a property owner down the road from 2282 Congress Street and want to show my support for the above referenced project which would require a zone change from IM to B4 for the proposed convenience store and gas station. I feel this is a service that is lacking in the area and feel my tenant would greatly benefit from this type of retail establishment.

Sincerely

Peg Cianchette
