**Subject: Convenience Store and Fuel Station Development
2282 Congress Street
Final Site Plan Application
Additional Items**

Dear Jean:

As per your request by email today, we are pleased to provide the accompanying Photometrics Plan and a revised Project Data Sheet related to the proposed Convenience Store/Fuel Station at 2282 Congress Street. This should complete our application package for the May 14, 2013 Planning Board. Our office spoke with David Margolis-Pineo and confirmed he is satisfied with our Wastewater Application and that a capacity to serve letter is forthcoming.

Please find one (1) hard copy of the revised Project Data Sheet, and one each of 11x17 and full size copies of the Photometrics Plan. These materials were emailed to you today in PDF version.

If you have any questions regarding these materials please contact this office.

Sincerely,

DeLUCA-HOFFMAN ASSOCIATES, INC.

Stephen R. Bushey, P.E.
Senior Engineer
