

DAILY FIELD OBSERVATIONS

CLIENT: Old Dominion Freight Lines
500 Old Dominion Way
Thomasville, NC. 27360
Attn: Philip Danner

PROJECT: Old Dominion Building Expansion
185 Rand Road
Portland, ME

DATE: September 19, 2014 **REPORT #:** 14-55-00014-020

General Location: Rear Parking Area
Field Rep: Eric Dolbec
General Contractor: Unknown
Earthwork Contractor: Unknown
Air Temp: 64°F
Weather: Sunny

Summary of Work Performed:

11:25 am – 1:10 pm: Earthworks Contractor was placing 3' lift of Soil Filter Media on sand base. Compaction was to the point of leaving no tread marks from walking on material. Contractor was making 5-6 passes with 800lbs compacting unit. Compaction was at its maximum for the type of material being used. This area was acceptable with project manager Glenn.
