---

Hi Jayne,

Thank you for keeping me apprised of the time line for work on your permit. The issue date is 6/24/15, therefore work would need to commence by 12/24/15 to avoid expiration. With this email I am granting an extension of this permit for 180 days. If work has not commenced by 6/24/16 the permit will be deemed expired.

Happy Holidays to you as well!

Jeanie

Hi Jeanie,

I would like to have my building permit extended another 6 months. We need to secure financing within our builder's timeframe which would mean starting the project in April or May, 2016.

Thank you so much and Happy Holidays!

Jayne
