We are using:
A+ Party Rental
10 Washington Ave
Scarborough, Me
Tel: [207-883-4472](tel:207-883-4472)

We brought all the documents to the zoning office. All were hand delivered. I do not understand why you did not have the flammability document. The woman in the zoning office checked to make sure we had provided all the right information. Please confirm that you have received this.
Thank you for your time in this matter.

On another matter, I contracted you several months ago about setting up a meeting to review zoning ordinances for a lot i own on Capisic St. I would still like to meet with you about this. I would like to do this after our wedding Aug 5. So could you offer some meeting dates later in Aug. or in Sept.
Thank you,
Kathleen
