Dear David and Emily,

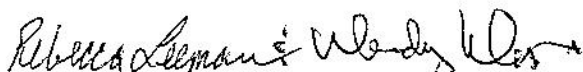

Thank you for your warm welcome to the neighborhood. We are looking forward to enjoying what we are certain will be many, many years of living on Rowe Avenue.

As you may know, our house at 118 Rowe Avenue had a lot of deferred maintenance and we have been renovating the original 1945 structure from the studs out. The more recent 14 x 22 foot addition (308 ft<sup>2</sup>) at the back of the house cannot be saved and we plan to demolish it so we can put in a foundation and rebuild. The new addition will be almost identical to what we are taking down. We're still working out the details for that and when the plans are finalized, we will be happy to share them with you.

We are starting the demolition this spring, as soon as the permit is approved. We apologize in advance for any inconvenience this may cause and will do our utmost to minimize the impact on your quality of life, if any.

Please do not hesitate to contact us with any questions or concerns, and feel free to stop by if you'd like to take a look at our progress.

Best regards,
