General Motors Facility Image Dealer Signage Package

PACKAGE

The Dealer Signage Package is issued to the Dealer Principal for review and approval. This document outlines the proposed FI signage for the Dealership.

APPROVAL

Dealer Principal is to review sign placement, sign size and enclosed quote. Once the Dealer Principal approves the sign package, Dealer Principal is to sign off on each enclosed rendering showing sign placement as well as the enclosed quote. Dealer Principal is to return to Architectural Graphics, Inc. copies of the approved renderings as well as signed quote and issue the 50% deposit payment.

NEXT STEPS

Upon receipt of the deposit payment, Architectural Graphics Inc. will proceed with permitting the signs. Once all signs are permitted, AGI will coordinate manufacturing, shipping and installing the signs based on FI building readiness.
