

State of Maine
Department of Public Safety
Fire Sprinkler System Permit

FSP12352

BATTERIES AND BULBS

Located at: 1100 BRIGHTON AVE STE 10
 In the Town of: PORTLAND
 Occupancy/Use: Mercantile Class A
 Type of System: NFPA 13

Permission is hereby given to:

HIGH TECH FIRE PROTECTION CO., INC.
 Contractor License # **FSC102**

to begin installation according to plans submittal approved by the Office of State Fire Marshal. No departure from the application submittal shall be made without prior approval in writing. This permit is issued under the provisions of Title 32, Chapter 20, Section 1337. Nothing herein shall excuse the holder of this permit from failure to comply with local ordinances, zoning laws, or other pertinent legal restrictions. This permit shall be displayed at the construction site or be made readily available.

Permit issued **3/10/2016**

Permit expires at midnight on **09/09/2016**

The expiration date applies only if the installation has not begun by that date and no permission has been granted to extend the date. Once installation begins, then the permit is valid as long as work is continuous.

John E. Morris
 Commissioner

The type of Fire Department Connection and its location is to be according to the Local Fire Department.

Within 30 days of the completion of a new fire sprinkler system or an addition to an existing fire sprinkler system, a sprinkler system contractor shall provide to the commissioner a copy of the permit signed by the certified responsible managing supervisor representing that the fire sprinkler system has been installed according to specifications of the approved plan.
