I have reviewed the attached sign design documents, and:

I have initialed each page indicating my approval of the Sign Design Documents as submitted.

In addition,

I hereby give notice to the sign permitting authority that I approve the sign Design Documents as submitted.

I authorize the sign vendor, Priority Sign, under contract with Sprint/Radio Shack to make application for and secure the necessary permit(s), remove any existing signs, install the new approved signs and provide wall surface restoration of any resulting visible wall damage.

I have made notations on the sign design documents indicating my concerns. I approve the sign Design Documents as noted in the package to be returned to Priority Sign..

I have attached a letter with additional requirements.
