John,

I am handling the review for the sign permit for 1140 Brighton Avenue. Can you please send me the letter of permission from the landlord of the property. I see it is checked off on your building permit but cannot find it with the application submission. Also, I need a sketch of the proposed sign with dimensions, materials, construction methods and attachment details. Once I receive this, I will continue with the review.

Also, can you email me back to confirm you have received this.

Thank you,

Laurie
