Building #200 Ceiling Framing, Portland, Maine

Dear Kam:

SRG Engineering (SRG) provided the structural design of the LVL ceiling framed beams and supporting posts (as shown on our PE stamped plans dated March 3, 2014) reflecting the structural loading requirements set forth in the 2009 IBC (International Building Code).

To the best of our knowledge, information, and belief; the construction provided meets or exceeds the requirements shown on our PE stamped plans dated March 3, 2014.

Professional services rendered are believed to be consistent with others performing similar work in the geographic area at the time services were rendered.

Thank you for using SRG Engineering for your structural engineering needs.

Sincerely,

SRG ENGINEERING, INC.

Steven R. Grant, P.E.
President
