RE: Energy North Gulf, 55 Riverside Street

To whom it may concern:

This letter is provided to give authorization for NH Signs to act as our agent for permitting. This project involves changing the fuel brand at the site from Gulf to Mobil and involves changing signage on the canopy, dispenser graphics and Main ID pylon.

Should you have questions or need additional information, please feel free to contact me at Energy North Group at 978-640-1100.
