Request For Sign Permit
55 Riverside St.

Riverside Mobil

Riverside Mobil is making some changes to their existing free standing sign. There is no increase in square footage, basically they are just rearranging the cabinets. The car wash cabinet will be changed to display the price of diesel with "car wash" lettering in smaller text. The reader board remains unchanged.

The only significant changes to the sign are :

1. moving "Energy North" cabinet from bottom to upper position under the main "Mobil" id.
2. adding the LED display of Diesel Fuel with "Car Wash" to replace existing "Car Wash" Cabinet.

All sizes will remain the same as existing. Total sf is 114.57

There are no changes to be made on the canopy however the Fuel Dispensers will have new dispenser imaging. Also existing wall sign on building is to remain unchanged.
