Re: Bell Atlantic at 150 Riverside St

Thank you for helping me with my sign permits applications

The pylon height is 15 feet overall. We are removing the existing faces in the pylon sign and sliding in the exact same size faces.

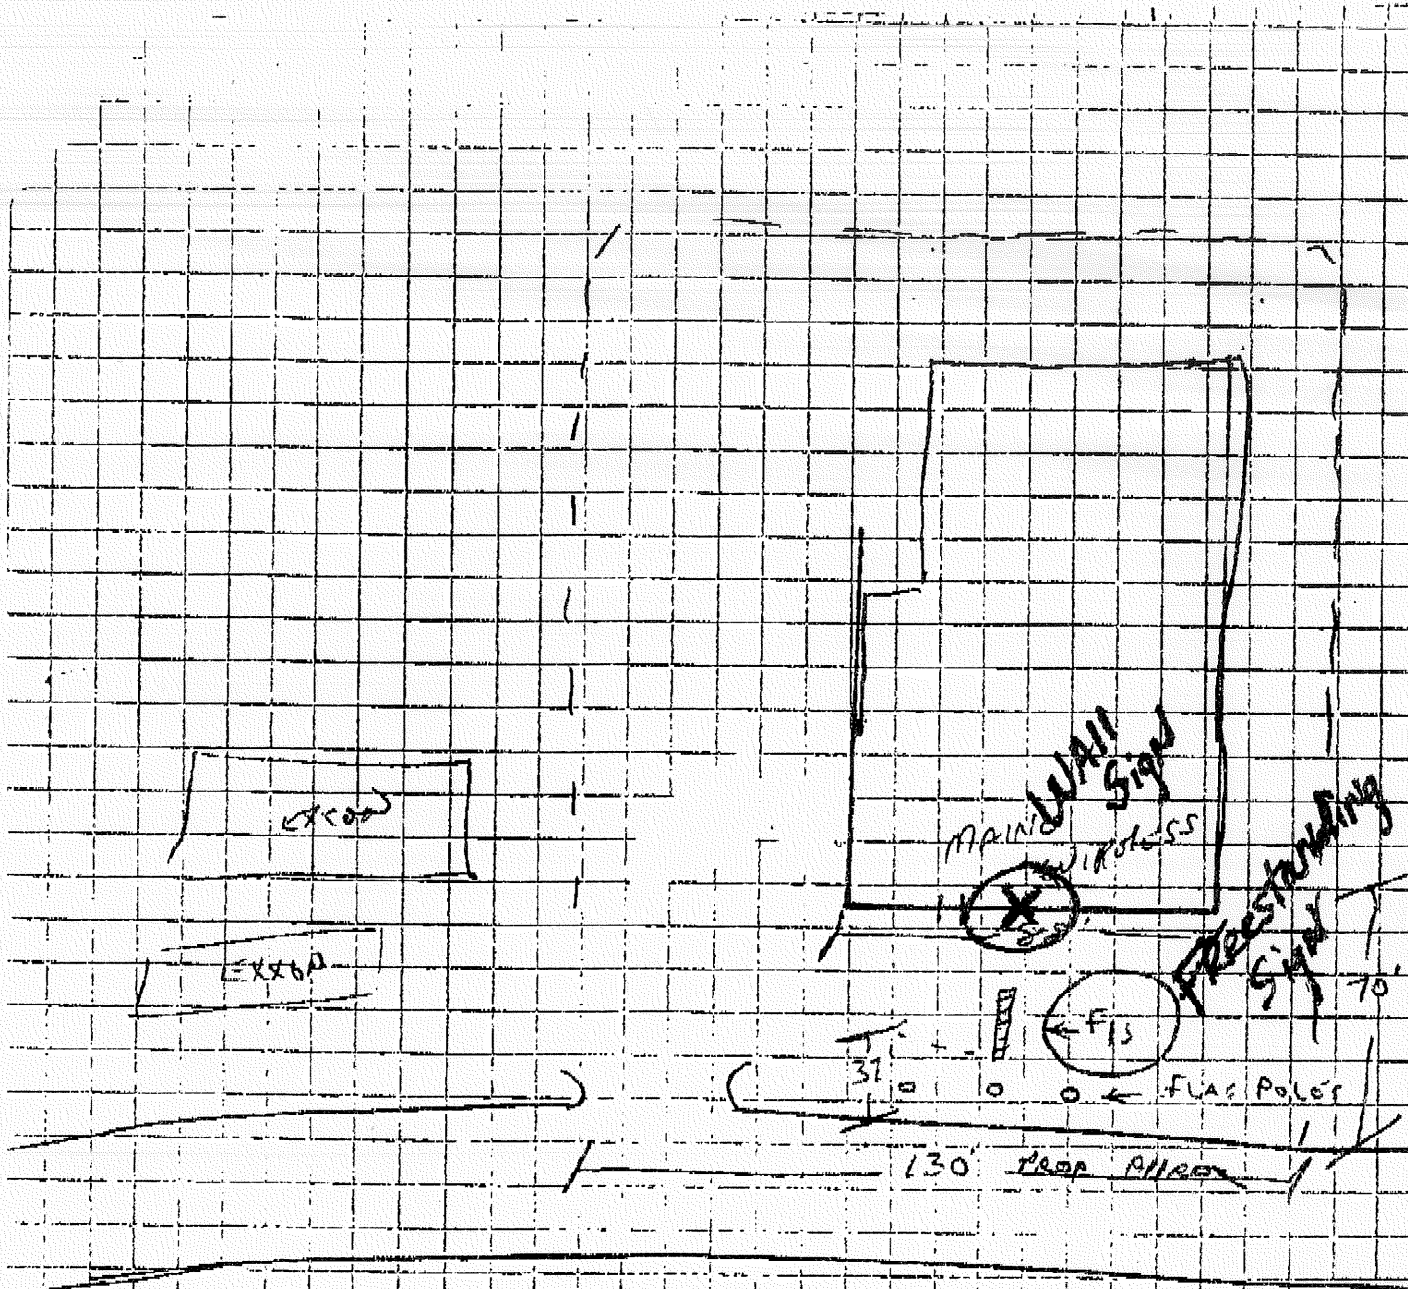

I have included a small location plan of the two signs we are doing.

I have included a mounting detail for the wall sign.

We will have the authorization ASAP. The owner does not have access to a fax.

Thanks again,

Jennifer
